BOYS TO MEN  
MENTORING

Boys to Men Mentoring Network (BTM) is a San Diego-based nonprofit organization connecting hundreds of disconnected, isolated, and historically under-estimated boys with positive male mentors on a weekly basis. BTM has been serving boys throughout San Diego since 1996 and delivers a high-caliber program that prioritizes the social-emotional needs of our future male leaders. We work with 29 school partners countywide to provide consistent, group mentoring that has been shown to increase GPA, improve attendance and sharply reduce disciplinary issues.
